Suggestions for improvements in Curriculum Design and Development :10 responses

Vocational & Employability Courses can be introduced

Employability Courses

Much efforts are being taken , Thank you

Need to give such topics which are relevant to industry or any corporate world like giving information about various software which are used in industry and banks

It should be more Job oriented .

More Employability

More Job oriented Courses should be provided, Industry- Academia interaction should be encouraged, Internship opportunities should be provided for UG students

Curriculum design should be more Learner Centered.

Suggestions for improvement in Teaching, Learning, Evaluation and Research :

10 responses

Better Internet facilities will assist in Teaching, Learning, Evaluation and Research

Give better Internet Facility.

Much efforts are being taken , Thank you

Teachers should be given complete authority to give marks to students and different assessment ways

More number of faculty development program should arrange

Students should be encouraged to enroll in Online Courses related to Job requirements like Financial

courses offered by BSE Institute, NSE Academy, NiSM courses, Data Science in Financial Markets, Mutual Funds, Securities Markets, Portfolio Management, and other courses on Entrepreneurship, Skill Development, etc.

Syllabus can be updated regularly.

Suggestions for improvement of Governance :10 responses

Departmental Laptops will be an additional advantage

Departmental Laptops

Much efforts are being taken , Thank you

College should give computer facility to M.Com students to carry out their research as well as there should be one session for how to give presentation and how to make it

More facilities for students like Internet and Wifi.Computer Lab.

Reward to students from each class for achieving Academic Excellence, more opportunities for job placements and campus interviews

Satisfactory

Suggestions for improvement in Infrastructure :10 responses

White Board & Markers can be introduced in classrooms

Wight Board, Dustless Chalks .

Much efforts are being taken , Thank you

There should be more toilets at least for staff. Also students toilets are not clean. 3rd floor washroom always stinks and it becomes difficult to take lectures. Some of fans and lights are also not working properly

The fans and tube light in bms classroom is not working properly.

None

Departmental Laptops, Computers, computer accessories, Good Internet connection, more Smart classrooms

Infrastructure and canteen facilities can be improved

Employer Feedback Analysis Report

EMPLOYER FEEDBACK ANALYSIS

Academic Year 2021-22

The employer feedback highlighted significant progress as institutions and workplaces transitioned to a hybrid model, blending online and in-person approaches. The responses for most parameters were predominantly in the “highly satisfactory” and “satisfactory” categories, with key observations as follows:

- Breadth of Theoretical Knowledge: Students continued to demonstrate strong theoretical foundations, reflecting a well-structured curriculum.
- Practical Application of Knowledge: Improved from the previous year as hybrid internships and in-person learning opportunities resumed.
- Skills Developed: Employers appreciated the skills developed.
- Adequate Weightage to Practical Aspects: Employers noted a balanced approach, with practical assignments and real-world simulations compensating for any gaps from the previous year.
- IT Skills: Advanced significantly due to the continued use of collaborative tools and digital platforms.
- Communication Skills (Oral): Improved.
- Written Communication Skills: Improved.

2. Achievement of Learning Objectives:

Students successfully met their outlined learning objectives, benefiting from a curriculum that adapted to a hybrid learning and work model. The return of in-person interactions helped strengthen interpersonal and teamwork skills.

3. Recommendations for Curriculum Enhancements:

- Industry-Specific Certifications: Encourage certifications in emerging industry tools and technologies, such as data analytics, digital marketing, cloud computing, and fintech tools.
- Government Skill Courses

4. Observations:

- Students showcased strong theoretical knowledge, enhanced IT skills, and adaptability to hybrid work models.
- Continued emphasis on advanced certifications, skill development courses, practical exposure, and interpersonal skills will enhance employability opportunities.
