Marwadi Sammelan's B.M. Ruia Girls' College, in collaboration with Janseva Samiti Sanchalit Shri M.D. Shah Mahila College, Malad, Department of Commerce in association with Internal Quality Assurance Cell organized an Online "Workshop on Trading Settlement Procedure in Share Market" on 14th June, 2021. The Resource Person was Dr. Ganatra Kashyap, Assistant Professor, B.M. Ruia Girls' College, **Webinar on 'Mantras for Successful Financial Planning'** Department of Commerce and Internal Quality Assurance Cell in association with Board of Industry Academia Partnership (BIAP) had organized a Webinar on **'Mantras for Successful Financial Planning'** on October 18, 2021. The Session was conducted on Zoom online Platform, and 100 students attended the Program. The session began with **Mr. Atul Sathe, Assistant Professor, Department of Accountancy from H.R College of Commerce and Economics** introducing the concept 'Mantras for Successful Financial Planning'. He briefed the students about the importance of proper management of one's finances to best achieve their financial goals and objectives. He explained various concepts related to financial planning and spoke about the Primary and Capital market in detail. He elaborated on the role of SEBI and its role in Investor Protection, with examples he helped the students to understand the functioning of primary and secondary markets. He cautioned the students about speculative investments and shared do's and don'ts of investing in the share market. He highlighted the importance of seeking help from professionals while investing. He spoke about the new initiatives floated by SEBI and BSE in reaching out to investors through online trading. He also briefed the students on the procedure related to opening a DEMAT account and shared the importance of due diligence when doing transactions in the stock market. The Session ended with all the students actively participating and getting their queries answered. Overall, the Session enlightened the students and created awareness about principles involved in sound financial planning.

Report:

A webinar on 'Consumerism, how to manage Money and be a smart Investor' was jointly organized by the Department of Commerce and Department of Sociology on 10th December 2021 in the college through Google Meet platform around 100 students attended the webinar. The Resource Person of the webinar for the first session was Resource person Mr. T.R Pandey (Project Manager-CGSI) he spoke about Consumer Rights and created awareness among students about the Consumer Guidance Society of India (CGSI). He briefed the students that the Consumer Protection Act, 1986 is a social legislation that lays down the rights of the consumers and provides for promotion and protection of the rights of the consumers which has enabled ordinary consumers to secure less expensive and often speedy redressal of their grievances. He explained that the Act mandates establishment of Consumer Protection Councils at the Centre as well as in each State and District, with a view to promoting consumer awareness. Through its 3-tier structure of the National and State Commissions and District Commissions for speedy resolution of consumer disputes. The resource person for the second session was Mrs. Madhumita Ghosh Financial Advisor. She briefed the audience about the difference between Saving and Investment emphasizing the need to invest regularly to meet the financial requirements that may arise later in life. She made a differentiation between passive and active income and pointed out the requirement of people once they cross 60 years. She explained saying we live longer compared to people of the past and pointed out that the average lifespan of people has been increasing. She re-emphasized the need to start investing early and she also spoke about the need to diversify and shared useful tips on Dos and Don'ts for equity Trading and highlighted the significance of investing in Mutual Funds. She concluded her session by sharing useful tips on investing.

Report:

The National level Women's Week Program was organized by the departments and committees on the occasion of International Women's Day to commemorate the cultural, political, and socio-economic achievements of Women, under Azadi Ka Amrit Mahotsav, Achievements@75. In the weeklong National Level Women's Week Program, the Department of Commerce and Career Guidance Cell organized a session on the topic "Empowering Women: Strategies and Techniques to Lead in the Corporate World" on 10th March, 2022. The Resource Person for the session was Mrs. Priyanka Acharya, Director, L-Earning Lifeline OPC Pvt. Ltd. Mrs. Priyanka Acharya, briefed the students about the Empowerment of Women, Corporate leadership, using analogy and metaphor of 'Makeup'. She explained that corporate life is not all about money but adopting certain life principles that will help women become progressive and focused on their workplace. Her life and makeup principles included making education the foundation one must apply before attempting anything. She spoke about making the best of what life has offered so far and building on that by pursuing additional skills. She talked about enriching one's life by cultivating a habit of regularly reading books, newspapers, etc. She told the students not to restrict themselves with certain limited subjects but expose themselves to a wide variety of topics. She also encouraged them to spend some time during the day in meditation. She emphasized making the right decisions and guided students through examples of making the right decisions. The session ended with a student asking questions and participating in discussions. The program was well attended by students and faculty, which numbered over 100. The program was aired live via YouTube and through Google Meet.

PROPOSAL

SUBJECT: Campus to Corporate Careers (C2C) Program, 2021-22

TechnoServe, through the **Campus to Corporate Careers (C2C) Program**, provides a transformative workforce readiness skills training for youth to make **better career choices** and **build a strong career path**. The program also provides placement support through corporate linkages with large and small firms. Our goal is to tackle the increasing need felt by fresh graduates - to sharpen and improve interview preparedness and make informed career choices after their graduation.

Given the current Covid 19 pandemic, TechnoServe's C2C Program continues to be committed to providing placement opportunities to fresh college graduates. The program, through **online training platforms** such as Zoom, aims to provide and complete soft skills training necessary for a future in corporate careers. Once the crisis is resolved, the C2C will facilitate trainings via student engagement in the colleges.

To empower the final year students with the skills and attitude to enter competitive workforce, the program offers the following-

Employability Training and Youth Empowerment

- **Personal and Professional Effectiveness** - bringing out the inner confidence, goals and passions of student participants, while introducing them to key concepts in goal setting, financial planning and interpersonal skill development.

- **Communication Readiness** - introducing students to the basics in professional communication, communication dos' and don'ts' as well as a comprehensive guide to giving interviews and group discussion.
- **Career Readiness** - explores career opportunities relevant to students from commerce background and gives them the realities of the job markets. It provides students with an in depth knowledge about different job domains as well as skill sets required to get the job, showcasing the career growth path for each role and domain.
- **Work Readiness** - focused on addressing the gap students' face while transitioning from campus to corporate as well as inculcating a sense of professionalism in them.
- **Career Counseling** - focused on guiding students both individually and in group settings towards career choices that will intersect between their aptitude, interest and the market reality.
- **Online Learning Platform (OLP)** – focused on guiding students, reviewing the concepts they have learnt in training.
- **Employment Linkages** - we will work with your students to provide direct support for placement opportunities during and after the training program.
- **Helpline for Placed Students** (1 year) - telephonic counselling services and handling queries on placements and other concern areas for trained students of the program.
- **Alumni Engagement** - engagement via social media and college meet ups for students trained by the program to share learnings with peers.

Who can participate:

We provide training ONLY to final year students or recent graduates awaiting results who are immediately looking for job opportunities. This program is targeted at career oriented students.

Requirements from Partner College for conducting sessions online:

- Facilitate the dissemination of information regarding the C2C Program to the final year or recent graduates by circulating TechnoServe C2C Posters and Orientation videos and messages in the student whatsapp groups.
- Facilitate communication between the trainer and final year students and recent graduates by connecting them via whatsapp or other means.
- Circulate the required Google form links for enabling student registration.
- These students would further be screened by TechnoServe with the support of Professors and Coordinators prior to enrolment. (Ideally a student interested for placement after graduation)

- Permit Online sessions to be conducted via Zoom or any application deemed appropriate
- Facilitate smooth communication between the trainer and the interested students in the initial training period.
- Permit phone based communication via calls and WhatsApp with students during and after training, which can include a member of the faculty or department in concern.
- Facilitate multiple parent engagement sessions, as and when required.
- Facilitate students to participate in placement opportunities and refresher sessions organised by TechnoServe.
- Facilitate students to complete at least 90% attendance criteria in order to be awarded the TechnoServe certificate and be eligible for placements.
- Providing one contact point who could be approached for any support related to this program.
- Facilitate students to participate in placement opportunities and refresher sessions organised by TechnoServe.

Takeaway for Students and College:

- Personally effective young professionals.
- Relevant career knowledge and better decision making abilities.
- Credit worthy Skill Training Certification from C2C Program, TechnoServe (International Brand Name).
- Assistance to face and crack the interviews.
- Employment assistance through placement opportunities in various companies in Banking, Financial Services, and Insurance (BFSI), IT enabled Services (ITeS), and Retail sectors.
- A mentor to ensure the smooth journey from campus to corporate.
- For the college, more number of employed students with big corporates.
- Well placed college alumni can help the future generation and reputation of the college.
- Continuous assistance by Online Resource, post training and post placement counselling as well as student helpline service.
- The placements will help the college with National Assessment and Accreditation Council(NAAC).

Through this proposal we wish to invite you to take part in this opportunity for your students.

Campus to Corporate

C2C Training Program

Report on Campus to Corporate training for students.

Date: 15th February, 2022 to 15th March, 2022

Introduction:

The Campus to Corporate training program conducted by B. M. Ruia Girls' College aimed to bridge the gap between academic knowledge and practical skills for students, preparing them for successful transitions into the corporate world. This comprehensive training initiative was designed to equip students with essential professional competencies and foster a seamless integration into the corporate environment.

Objectives:

The primary objectives of the Campus to Corporate training program were as follows:

- a. Enhance Employability: To improve students' employability by imparting industry-relevant skills and knowledge.
- b. Soft Skills Development: To develop critical soft skills such as communication, teamwork, time management, and leadership to increase workplace effectiveness.
- c. Technical Proficiency: To provide specialized technical training in relevant fields to ensure proficiency in job-specific tasks.
- d. Corporate Etiquette: To instill corporate etiquette, professionalism, and workplace ethics in students.

Training Methodology:

The training program employed a multi-faceted approach to maximize student learning and engagement:

- a. Workshops and Seminars: Conducted interactive workshops and seminars on various topics, including communication skills, resume writing, interview techniques, and corporate grooming.
- b. Industry Experts and Guest Speakers: Invited professionals from different industries to share their experiences and insights with the students.
- c. Mock Interviews: Organized mock interviews to help students become more confident and adept at handling real job interviews.
- d. Case Studies and Simulations: Utilized case studies and simulations to immerse students in practical problem-solving scenarios relevant to the corporate environment.
- e. Group Projects: Encouraged teamwork and collaboration through group projects simulating real-world business challenges.
- f. Technical Training: Provided specialized technical training in collaboration with industry partners to ensure proficiency in domain-specific skills.

Training Modules:

The Campus to Corporate training program was divided into various modules, each addressing different aspects of professional development:

- a. Communication Skills: Effective verbal and written communication, presentation skills, and email etiquette.
- b. Soft Skills: Time management, conflict resolution, teamwork, leadership, and adaptability.
- c. Business Etiquette: Corporate grooming, dress code, workplace ethics, and cultural sensitivity.
- d. Industry Insights: Overview of various industries, career paths, and current job market trends.
- e. Technical Skills: Specialized technical training tailored to different disciplines and industry requirements.

Impact and Outcomes:

The Campus to Corporate training program yielded several positive outcomes:

- a. Improved Employability: A significant increase in students' employability due to enhanced soft and technical skills.
- b. Placement Success: Placement opportunities were given to students securing employment in reputed companies.
- c. Confidence Boost: Students reported feeling more confident during interviews and in their overall professional interactions.
- d. Industry Connections: The program facilitated networking opportunities, allowing students to connect with potential employers.
- e. Positive Feedback: Feedback from both students and participating industry professionals indicated the effectiveness and relevance of the training.

The Campus to Corporate training program organized by B. M. Ruia Girls' College has proven to be an invaluable asset in preparing students for successful transitions from academia to the corporate world. By focusing on employability, soft skills, technical proficiency, and corporate etiquette, the program has equipped students with the necessary tools to thrive in their professional careers. 12 students took the training and 4 students got offer letters from Justdial and Squareyards. Continuous evaluation and refinement will ensure that the training program remains relevant and impactful in the future.
