Report:

October 8, 2022 - Seminar on 'Intellectual Property Rights' Department of Commerce, in association with Internal Quality Assurance Cell, organized a Seminar on 'Legal Prospects of Intellectual Property Rights' on October 8, 2022, under Azadi Ka Amrit Mahotsav.

75 The Seminar provided valuable insights on various aspects of Copyright, trademark, patent rights, assignments, fair use, and infringements relating to Intellectual Property Rights. The Resource Person for the Seminar was Dr. Hema Mehta, Associate Professor from Tolani College of Commerce, Mumbai. She introduced the theme 'Intellectual property, ' a category of property that includes intangible creations of the human intellect, primarily encompassing copyrights, patents, and trademarks. Dr. Hema Mehta also said it had other rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. She also explained that artistic works like music and literature, discoveries, inventions, words, phrases, symbols, and designs could all be protected as intellectual property. Through examples and previously filed lawsuits by companies, she explained the consequences of copyright infringement and presented to the students about Indian Perspective on Copyright. She explained in detail the need for patents and different types of Trademarks. Overall, the students learned how IPR provides total control over innovation and its creator. It offered them a platform to discuss how small innovations influence societies and how they should indulge in innovating and patenting ideas that will be useful for all classes of individuals in the community. The session ended with questions asked by students and faculties alike. The Program was offered in offline mode. Around 129 Students, Principal Dr. Santosh Kaul Kak, and Faculty attended the Seminar.
