## DISABLED FRIENDLY POLICY

The institution strives to provide a disability-friendly environment in accordance with the Right to Education Act and the Rights of Persons with Disabilities Act, 2016, emphasizing the importance of inclusive education. This ensures that students with learning difficulties and identified disabilities have their educational needs met. The institution offers equal opportunities to all students, in alignment with university guidelines. This initiative is aimed at promoting an environment of acceptance and support.

### OBJECTIVES

- To ensure that students with disabilities have equal opportunities to explore their educational potential.
- To provide a nurturing and motivating environment for students with learning disabilities, accommodating their pedagogical needs.
- To eliminate any form of stigmatization or segregation, helping students become confident individuals.
- To sensitize faculty, staff, and students about disabilities and inclusive practices through workshops, seminars, and training programs.
- To establish a feedback mechanism for students with disabilities to share their concerns and suggestions, ensuring continuous improvement.

### SPECIAL CONSIDERATIONS

- Additional time for completing assignments, projects, and submissions.
- Permission to audio-record lectures, with consent from the subject teacher.
- Extra help inside and outside the classroom for subject and related queries.
- Notes and other support provided by a responsible peer.
- Pairing with more able students for support in the classroom.
- Extended time and provision of writers during Exams, if requested.
